

Experiential Trainers Toolkit

Everything you need for successful training experiences

Did You Know?

We learn:

- 10% of what we read
- 15% of what we hear
- 85% of what we experience

If we remember more of what we experience,
why do your training sessions look like this?

Instead of this?

The key to creating more effective training experiences?

The Experiential Trainers Toolkit

- Over 130 different activities
- Create an interactive learning environment
- Integrate into your own programs
- Reproduce materials at no extra charge
