OVERVIEW

COMPETITIVE EDGE, INC IS THE FIRST TTI AUTHORIZED TRAINER FOR THIS WORKSHOP NATIONWIDE

Our program is ideal for trainers, consultants, and human resource professionals who are committed to helping uncover the talents of others and maximize performance in their organizations.

TOPICS IN OUR TRAINING INCLUDE:

- **How to recognize the behavioral styles of others**
- **Why behavior alone only gives you half the insight that you need to understand people**
- **The importance of understanding motivators, and how it integrates with behavior**
- **How to build self-awareness for others**
- **The key to high performance teams**

WHAT MAKES US DIFFERENT?

With our decades of knowledge, we have personally debriefed and trained thousands of professionals. Our company is trusted by Financial Institutions, Government Agencies, Manufacturers, and corporations of any size. We customize our training for any sized organization. This virtual training is limited to six people.

TRAINER

Krista has been creating ROP = Return on People™ for clients since 1997. Her approach equips leaders with a set of powerful objective tools that yield measurable results. Her companies are trusted by Financial Professionals, Government Agencies, Manufacturers, and corporations of all sizes. Her focus is on team performance strategies that unlock growth potential and fine-tune the intra- team dynamics needed for success.

Growing up in an entrepreneurial family, Krista realized from an early age that people were an organization's true value. This perspective led her to become a respected expert in the behavioral and motivational elements that can make or break a team. Part mentor, part team architect, Krista shows clients how to apply assessment tools and organizational best practices to consistently produce highly-engaged and high-performing teams.

As President of Competitive Edge, Inc., Krista sets corporate strategy, develops partnerships, and engages clients as the company's lead trainer and consultant.

Krista believes you must live life with passion and everything else will take care of itself! Her goal is to help people uncover their true talents so they can achieve personal success, happiness, and fulfillment.
